*U-Haul Federal Credit Union is offering the option to take advantage of no payments for the first 60 days after the closing of the loan. The no payments for 60 days auto loan feature is valid on new auto loans and auto refinance loans from other institutions; refinancing of existing U-Haul Federal Credit Union auto loans is not eligible. Interest will begin to accrue on the date the loan is funded. The first payment after the 60-day no-payment period will first be applied to the interest accrued from the date the loan was funded to the first payment date and then applied to the principal due. This offer is available to U-Haul Team members within the U.S. and their direct family members. All loans are subject to loan approval and normal requirements. Other conditions may apply. Rates, terms and offer subject to change without notice. Rate will vary depending on credit score.
